Head Start Heroes 2021:

Congratulations to Lety Ambriz Orozco (Family Service Worker) and to Emily LeClaire (parent) who have both been selected by the MHSA Awards and Scholarship Committee to receive a **Head Start Hero Award** on May 11, 2021. We all should be proud to have two Head Start Hero's chosen out of six from all of the state of Minnesota Head Start programs.

Lety is the winner of Category 1: Staff Member –

a Head Start alumni who has become involved in their local program as a staff member.

Emily is the winner of Category 4: Local Advocate –

a Head Start alumni who has demonstrated advocacy by becoming involved in their local program or community.

Even though Emily and Lety have endured so much in their lives, their resilience and drive has produced excellence in character that stands out. Head Start has been an instrumental part in supporting both Emily and Lety in their journeys. Both individuals have been an asset to the program, and it is a pleasure having them as part of the organization.
